

PRESS RELEASE

9th Annual Angie Goulet & Associates Christmas Turkey Dinner Giveaway!

Angie Goulet & Associates along with their generous partners and volunteers will again be hosting their 9th annual Christmas Turkey Giveaway on **Thursday, December 21, 2023!**

The Team is thrilled to again be helping so many families in the Windsor area enjoy a delicious Turkey Dinner over the Christmas Holidays! *“With today’s grocery bills through the roof, the need is certainly great.”*, says Team Leader, Angie Goulet.

This year by popular demand, and thanks to our army of volunteer drivers, we will be delivering complimentary turkey dinners directly to the homes of those in need who have registered.

Registration will take place **online** at www.AngiesTurkeyDrive.ca on Tuesday December 5th, 2023 starting at 9am while supplies last. Registration will close once all available turkey dinners have been allocated. Those who do not have access to the internet can call our office to register at 226-783-6690 once registration has opened. Supplies are limited and are first come – first served.

The public is asked not to visit our office location this year as there will be no turkey dinners available for pickup. All dinners will be delivered by volunteers directly to the homes of those who have registered.

We are also reaching out to local businesses who would like to partner with us by donating or volunteering so that we can support even more of our community. Businesses who would like to participate can also visit our website: www.AngiesTurkeyDrive.ca.

For more information, please contact 226-783-6690 or teamangiegouletandassociates@gmail.com
